Our Accomplishments for your Benefit

- Added value for your machine
- Adaptation of the operating interface to the newest WAFIOS standards
- Stabilization of the production process
- Tools are existing
- Stable machine base is carried over
- Newest technology and therefore higher availability of spare parts
- Raising efficiency e.g. saving energy by using new controls (reduction of operating costs)
- Higher Quality

▼ FUL 103 - control old

▼ FUL 103 - control new

We are looking forward to your inquiries and orders.
