

Service Agreements: Modules Preventive Maintenance & Extended Warranty

Service agreements are individually tailored packages set up by our after-sales department to meet your needs. WAFIOS offers a service agreement for preventive maintenance, that contains one inspection per year at a fair and fixed price. Furthermore WAFIOS offers the possibility of extending the warranty on your machine by up to 24 months.

■ Your Benefit

- ✓ Fixed prices for inspections
- ✓ Know-How-Transfer: Benefit from our experience also in the area of maintenance
- ✓ Increased machine availability and avoidance of unplanned downtimes through preventive maintenance
- ✓ Maintenance by highly qualified WAFIOS service technicians
- ✓ Costs can be estimated and budgeted (Extended Warranty)

■ Realization

- Your request: For which machines do you wish a service agreement?
- Our offer: You receive our offer for your individual service agreement (services included, mode of payment, arrangement of inspection dates, duration of the agreement)

■ Content of the Service Agreement Modules

- The module "Preventive Maintenance" consists of:
- Annual maintenance at a fair and fixed price according to our inspection checklist
 - Maintenance report
 - Recommendation of spare parts and repairs

The module "Extended Warranty" can be combined with the above explained module "Preventive Maintenance" and extends the warranty of your machine for a total of 24 months from the date of purchase for a blanket rate.
