

Within the year 2014 the well-known pdf-version of the Wafios Tool Catalog has been replaced by the Online Tool Catalog. By enhanced search functions and a permanently updated database (tool part numbers, delivery times, prices) as well as a user-friendly menu guidance the Online Tool Catalog serves as an optimized platform for all inquiries around tools for your Wafios machines. The catalog can be reached via the internet address:

**<http://www.wafios.com/nc/en/service/tool-center/>**

The functions of the Online Tool Catalog are described in detail within a flyer that can be downloaded on the start page of the Wafios Tool Center.

The screenshot shows the Wafios Online Tool Catalog website. The header includes the Wafios logo, a language selection dropdown, and navigation links: MACHINERY, MACHINERY CONFIGURATOR, SERVICE (selected), CAREERS, COMPANY, NEWS, and WORLDWIDE. The main content area features a 'Tool Center' section with a list of links: CUSTOMER SERVICE, TOOL CENTER (highlighted), PURCHASING DEPARTMENT, SECOND-HAND MACHINES, DOWNLOADS, and LINKS. Below this, a section titled 'Our customers have the following benefits:' lists several advantages. A red box highlights a flyer titled 'Online\_Tool\_Catalog.pdf' which shows a person using a computer. On the right side, there are sections for 'Login' (with username and password fields), 'Register', 'Produktsuche' (with a direct search form), and 'Application'.

As a customer or trading partner of Wafios you'll have full access to the catalog including prices and the function „Shopping cart“ (see page 3-4 of this tutorial).

Your login name is your e-mail address. For data protection reasons, we do not assign any passwords ourselves; instead, you must select your own the first time you log in.

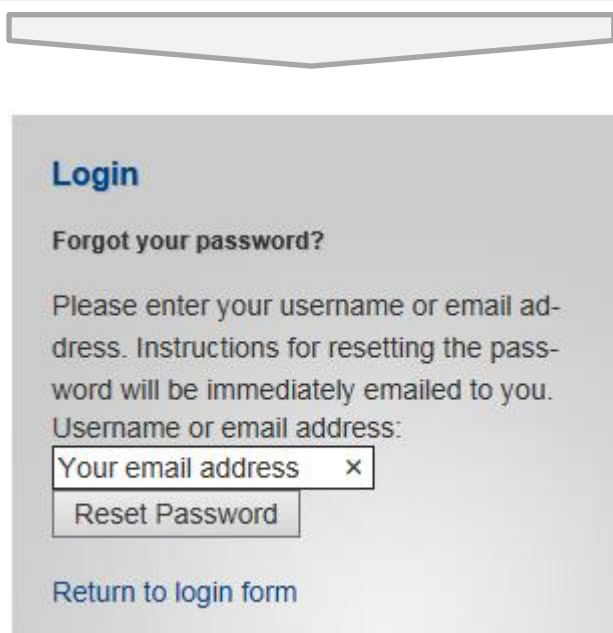

To do this, proceed as follows: at the login portal, click "Forgot your password?":

The diagram shows a login form with the following elements:

- Login** (blue header)
- Username:** (text label)
- (text input field)
- Password:** (text label)
- (password input field)
- (button)
- Forgot your password?** (link, highlighted with a red rectangular box)

A window will open, where you can enter your e-mail address:

The diagram shows a window titled "Forgot your password?" with the following elements:

- Forgot your password?** (blue header)
- Please enter your username or email address. Instructions for resetting the password will be immediately emailed to you.
- Username or email address:** (text label)
- (text input field with a clear button 'x')
- (button)
- [Return to login form](#) (blue link)

After a short time, you will then receive an e-mail containing a link to change your password:

This email was sent in response to your request to reset your password. Please click on the link below.

[http://www.wafios.com/nc/en/service/tool-center/?tx\\_felogin\\_pi1%5Buser%5D=1746&tx\\_felogin\\_pi1%5Bforgothash%5D=1422309538%7Caf2e6a232bfa2cb51b01722df27046f3](http://www.wafios.com/nc/en/service/tool-center/?tx_felogin_pi1%5Buser%5D=1746&tx_felogin_pi1%5Bforgothash%5D=1422309538%7Caf2e6a232bfa2cb51b01722df27046f3)

For security reasons, this link is only active until 2015-01-26 22:58. If you do not visit the link before then, you will need to repeat the password reset steps.

Click on this, enter your password, and then re-enter it. Once you have done this, you will be able to use your e-mail address and password to log in at the portal. If you forget your password, you can also use these steps to reset it.

### Login

Change your password

Please enter your new password twice.  
Password needs a minimum length of 6 chars.

Once you have opened the Catalog, you can navigate it as described in the flyer. When you click on something, it is important that you wait a short while for the results to appear, as the system has to process the data in the background.

The shopping cart function is a particularly interesting feature. You can add any part to your cart by clicking the exclamation sign next to it:

## Your selection: Compression Spring Machines - FUL - 56

Your search have 2 hits

Pricelist: EUR

Cutting mandrel

Straight cut

D-Nr.	Radius	Price in €	Delivery time	
2061-5-084100	R 14 (30x15x290)	189	Ex stock	
2061-5-084200	R 12 (25x15x290)	141	Ex stock	
2061-5-084300	R 9 (20x15x290)	124	Ex stock	
2061-5-084450	R 7 (15x15x290)	149	Ex stock	

In the cart itself, you can then e.g. increase or reduce quantities and remove parts. There is also a free-text field that you can use to add comments.

Clicking the icon for sending a request automatically issues an e-mail to the central mailbox of the TC tool sales team "Tools@wafios.de" which will be handled as soon as possible by our staff.
